MUSIC WRITER-“64”™

Music Writer 64 is **The most versatile** music program for the Commodore 64. Realtime Note-entry from the keyboard allows you to enter one voice while the computer plays the other two voices. There is an optional setting for computer generated metronome. Music is recorded as sheet music to allow for screen editing or complete printout.

- Three Complete Voices
- Easy to Learn Note Entry Format
- 4½ Octave Range Per Voice
- Full Editing Capabilities
- Save and Load Songs on Diskette
- Full Disk Access Via Program
- Transfer Between Treble and Bass Clefs
- 12 K Note Storage Area
- Realtime Control of Waveforms and Filter
- Help Screens to Give Aid During Create/Edit
- Hi-Res Graphics
- Prints Sheet Music to Printer** using the Commodore 1525 Printer or “The Connection” interface by RAK-Ware to interface to other printers.
- Normal or Double-Wide Printing
